

WRIGHT'S LATEST BOOK TO BE SHOWN ON SCREEN HERE

"The Eyes of the World" Will Be Shown at the Washington and Gem Theaters Next Week.

Readers of "The Eyes of the World" in book form will recall in that remarkable story of California many people and situations that should provide rare opportunities for character portrayal. For this reason many who were charmed by Harold Bell Wright's graphic and melodramatic romance of California will probably see in the elaborate film version at the Washington and Gem Theaters on May 12th and 13th, a drama of absorbing interest and strength along these lines.

As for their opportunities, take, for instance, the character of LeGrange, the cynical writer, as revealed in his own words in the novel: "Working! Me? I don't work anywhere. I am a literary scavenger. I haunt the intellectual slaughter pens and live by the putrid offal that self-respecting writers reject. I glean the stinking materials for my stories from the sewers and cesspools of life. For the dollars they pay I furnish my readers with those thrills that public decency forbids them to experience first hand. My books breed moral pestilence and spiritual disease. The unholiest fifth I write fouts the minds and pollutes the imaginations of my readers. I am an instigator of degrading immorality and unmentionable crimes. Work! No, young man, I don't work. Just now I am doing penance in this damned town. My rotten imaginings have proved too much, even for me—and the doctors have sent me west to recuperate."

Then there's Taine, the dissolute product of a life of self-indulgence and low ideals. He is thus sketched in the author's graphic words:

"The hideous ruin that Mr. Taine had, in himself, wrought by the criminal dissipation of his manhood's strength, and by the debasing of his physical appetites and passions, was to Aaron King, now, a token of the intellectual, spiritual and moral ruin that alone can result from a debased and depraved dissipation of an artist's creative power."

PUBLIC SALE.

I will offer at public auction, at my home in Forest avenue, on Tuesday, May 11, at 2 p. m., household and kitchen furniture; also my residence property, if not disposed of before then.

ESCAPED PRISONER CAUGHT AS HE WAS LEAVING CITY

"Bike" Mason Was Aboard Freight Train Bound for Cincinnati When Policeman Located Him.

Ed "Bike" Mason, who escaped from the Mason county jail Wednesday morning as the jailer was taking Thomas Marksberry's breakfast to him on the second floor of the jail, is again behind the bars. He was arrested late Friday afternoon by Patrolman P. Ryan near the C. & O. depot.

About 5 o'clock a telephone message came to the police station that Mason was aboard the train and Officer Ryan went to the foot of Market street where he saw the escaped prisoner on one of the freight cars. He immediately summoned an automobile and drove to the C. & O. depot. The train, which had stopped there for water, was searched thoroughly and Mason could not be found. The officer started as if to walk up the railroad track when the engine started to move and then he caught the rear end of the train. Mason ran up toward the train from the river bank, where he was in hiding as if to catch the train and Officer Ryan headed him off having little trouble then to place the negro under arrest.

Mason is under indictment for house breaking and burglary and will likely be tried at the September term of the Mason Circuit Court.

PROGRAM OF KNIGHTS ANNUAL MEET ANNOUNCED

Maysville and Mason County Extend Hearty Welcome to Kentucky Knights of Columbus.

The reputation of Maysville as a convention city is far famed by reason of the hospitality and kindly feeling ever extended to the guests within our gates. On next Monday, Tuesday and Wednesday the State Council of the Kentucky Knights of Columbus will be for the first time within our city. On that occasion, Maysville it is believed by the extension of its hospitality and that general fine fellow feeling to the Knights of Columbus, will repeat its past history.

Whilst the Knights of Columbus lay no claim on our appreciation for the yeoman service so magnanimously performed for our nation and our allies, it is too busy, great order, that is, in its wonderful reconstruction program, to lay claim to anything but to service, yet if the Knights of Columbus did nothing more than its war work, it would have earned the lasting gratitude of every knowing citizen. The tributes paid to that work of the Knights of Columbus by the returned soldier, puts this proposition beyond dispute. The program attached shows how their local brethren of the visiting delegates and their ladies appreciate their presence.

Hennessy, and others will regale the banqueters with a feast of oratory. Inter-spersion of the speaking will be delightful music, by the orchestra.

Closing Ode—America.

Dancing will follow the literary and musical program.

9:00 A. M. Wednesday, May 12th. K. of C. Hall.

Completion of business of the convention.

All hall the individual or aggregation which rests not on the great things it has accomplished. The reconstruction work of the Knights of Columbus is of equal, if not of even greater value to the nation, than their war-time activities, as noble as they were. They are doing a wondrous work for Government, for citizenship, for the solution of labor troubles, for the physical, moral, social and intellectual uplift of the working class, by their many scholarships in numerous universities regardless of church affiliation, night and day schools, social centers, and by every effort for social betterment. The Kentucky branch of that great order deserves the hand of hearty welcome while in our midst. The Ledger bids the Knights of Columbus a hearty welcome.

PASTORAL LETTER TO BE READ TOMORROW.

Bishop Ferdinand Brossart, of the Covington diocese, in a pastoral letter to the clergy and laity, which is to be read in all Catholic churches of the diocese tomorrow, urges upon pastors, in order that deception may be avoided and all may know that persons desiring to be married are free to contract, and that where the parties are from different parishes to insist upon publication of the bans in both parishes.

The letter urges pastors to see that children in their respective parishes receive a Christian education, and requests that Holy Name Societies be organized in all parishes.

SENIOR CLASS PLAY PLEASURES A VERY LARGE AUDIENCE

"Green Stockings" Is Well Presented By Members of Class of '20 Maysville High School Friday Eve.

The members of the class of '20 M. H. S. acquitted themselves with honor at the Washington Theater Friday evening in the presentation of "Green Stockings," a delightful play with many exciting incidents.

The theater was well filled with relatives and friends of the members of the cast and the Senior class and everyone enjoyed themselves very much. In many respects this year's best class play was by far the biggest and best class play ever presented by the graduates. The play was certainly, the most gorgeously costumed and staged play ever given by the High School students and probably had as large an audience as any play ever given by the school. The profits of the play will be used by the class in helping to defray the expenses of publishing this year's annual, which, by the way, is to be the most attractive annual yet issued by the Maysville High school.

Miss Gant of the High School faculty who directed the play, deserves much credit for its success.

Now that the class play is out of the way, the members of the Senior class will give all of their attention to making preparations for the closing of school. Graduation week this year is to be filled from Monday to Saturday with big events all of which will be now planned.

An experienced local critic has this to say of the play:

In a play where the entire cast was inexperienced amateurs it would be censorious and ill-natured to indulge in a dramatic criticism. The play was well coached, well staged and well acted, and the almost continuous round of applause attested the appreciation of the audience which packed the house to the limit.

The staging and beautiful costumes worn so gracefully added greatly to the charm of the play.

Miss Thelma Stahl made a most acceptable leading lady and was well supported by Miss Anna Fred Harberson, who showed decided talent in her impersonation of a gay vivacious flirtatious younger sister. Miss Eloise Burgess, in comedy role of Aunt Ida, made a big hit and the house roared with laughter and applause. William Farley, as the returned Col. Smith and lover, was a success, for he won the "leading lady."

Indeed the entire cast acted well their parts and Maysville is to be congratulated upon her ability to put on such a creditable "Class Play."

The stage furnishings were contributed by McIlvain, Diener & Knox.

The music was furnished by the High School Orchestra.

JURORS GLAD TO GET BACK HOME.

The Maysville men who served as jurors in the Marksberry murder case are indeed glad to get back home after more than a week of severe strain. The gentlemen were pleased with the treatment they received at the Bracken county capital but are very glad the case is over. It is understood that the jury had little trouble reaching a verdict, eight of the twelve having decided upon life imprisonment at the very beginning. A compromise was reached within an hour and with little trouble, it is said.

At a meeting of the Mason County Board of Education held this afternoon the County High School teachers were elected for the next year. Few changes were made. The teachers of smaller schools will be elected later upon recommendation of the district trustees.

MASON FARMERS CONSIDER ERECTION OF GRAIN ELEVATORS

Farmers May Handle Their Own Grain If Plan Now Under Consideration Materializes—Meeting To Be Held Soon.

Mason county farmers may erect in Maysville before the next grain delivery season a large grain elevator to handle their own crops, according to information received here today. It is known that the farmers are so very much pleased with the way the Mason County Farm Bureau has handled the matter of purchase that they are considering seriously the matter of handling the sale of their crops through some such organization.

Information received today was that the Farm Bureau will not likely be the organization through which the sale of farm crops will be handled but the matter of forming a Sales Company of some sort is now being threshed out by the farmers, members of that organization. While the present tentative plan is to organize the company of members of the Farm Bureau, it is understood that the plan is not to organize a Farmers' Union as has been done in other sections of the country, local Farm Bureau leaders thinking that the Farmers' Union plan is all wrong.

Just to what extent this proposed plan will be carried out this year is not known but it is known that there is much discussion of the matter and that some definite action along this line is expected within a few days.

CEREMONIES HELD AT GRAVE FOR COLORED SOLDIER.

There was quite a crowd of colored people at the Washington cemetery Friday afternoon to attend the funeral of Thomas Batis, colored soldier, who died in France and whose body was the first of the several Mason county heroes to be returned to America for burial. The pastor of the Washington colored M. E. church and E. W. Lane, of this city, spoke at the grave. Many Mason county veterans in uniform were in attendance.

INTEREST SHOWN HERE IN COUNTY FIELD MEET.

Much interest is being shown by the students in the Maysville High school in the proposed county Field Meet which the State Y. M. C. A. plans for the latter part of this month. The Maysville High School athletes will enter most every event on the program.

PRAYERS TO RAISE SUNDAY FOR THE SALVATION ARMY

Ministers of Kentucky Will Sunday Ask God's Guidance in Salvation Army's Big Campaign.

Sunday, May 9th, is the "zero hour" in the Salvation Army. It is the critical period in the history of this great movement for the good of humanity. Commander Evangeline Booth has received the assurance of ministers of Kentucky of all denominations that they will join the Salvation Army workers in an appeal for divine guidance, May 10th to May 20th, to raise money to support the army in its manifold activities in rescue homes, maternity hospitals, slum settlements, nurseries, children's homes, prison relief and evangelistic work.

The old system of tambourine collections has passed away with the adoption of the Home Service Appeal so that the Army officers may devote their whole time to actual relief work. All Christian people are urged to unite in this great cause for the uplifting of mankind.

HILLDALE S. S. TO HAVE SPECIAL PROGRAM.

The Hilldale Sunday school will have a special Mothers' Day program on Sunday afternoon. The new piano is in the building and will be used for the first time Sunday. Dr. John Barbour, pastor of the Presbyterian church, will speak and Mr. R. A. Cochran will sing a solo. Everyone is invited to attend this school Sunday.

FEDERAL BAKERY WORKING OVERTIME.

In order to supply Maysville with plenty of bread during the bakers' strike at Cincinnati, the local plant of the Federal Bakery is working day and night. Quite a bit of bread used here was baked in Cincinnati bakeries and since this supply is cut off the local bakeries are working overtime to supply the local needs.

As has always been the custom, the Baraca class of the First Baptist Sunday school will specially honor the memory of the mothers of the members on Sunday morning. Every man in the class will be furnished with a flower to wear in honor of his mother. Pastor Davis will preach a special sermon on "Mother" Sunday morning.

Mr. E. H. Binzel and wife, of Bowling Green, are the guests of friends here. For many years Mr. Binzel was local agent for the L. & N. railroad and is shaking hands with many friends.

PROVISIONS OF THE NEW FEDERAL PENSION LAW

Who Will Receive Increase Under New Bill and the Amount of Increase All Will Receive.

Kentucky old soldiers and widows of soldiers will receive increases of pensions under the Fuller bill, which is now safely through both branches of Congress. There are more Civil War soldiers in Ohio than in any other state, but every state in the Union will have beneficiaries under the act, Ohio leading all the others.

The bill applies in the main to the soldiers of the Civil War and their widows, but was broadened before its final passage so as to include also the widows of soldiers of the war of 1812, and the widows and veterans of the Mexican war, of whom the number is comparatively negligible.

There are four main provisions of the law, as follows:

1. Every man who served ninety days or longer in the army, navy or marine corps of the United States during the Civil War, and who has been honorably discharged, or who, having served less than ninety days, was discharged for disability incurred in the service, and in line of duty, shall be entitled to a pension of \$50 a month.
2. Every such person who is helpless or blind, or so nearly helpless or blind as to require the aid of another person, shall receive \$72 a month.
3. The widow of any such soldier, sailor or marine who was married to her soldier or sailor or marine husband prior to June 27, 1905, shall receive \$30 a month.
4. Minor, helpless or imbecile children of such service men, whose imbecility or helplessness developed prior to sixteen years of age, shall receive \$30 a month, instead of \$20 as provided by existing law.

Persons drawing pensions by special act lower than these rates shall be entitled to the higher ratings carried in the new bill. It is estimated that the increases carried by the bill will amount to about \$15,000,000 annually.

STATE SECRETARY TO ADDRESS WOMEN.

There will be a special meeting of the Woman's Missionary Society of the Christian church on Monday evening, May 10, at 7:30 at the church. Mrs. Campbell, State Secretary, will give a message of interest too. Every member is urged to be present.

WAGONS BUGGIES HARNESS

A STUDEBAKER THAT HAS SAVED MONEY FOR ITS OWNER
I bought my Studebaker from your agent, D. M. Smith, at First, Mich., in 1876, and have used it continuously on my farm.
I have a farm of 140 acres, with good buildings, and this wagon hauled all the material.
Two years ago my son put on three tons of sugar beets and hauled it over from ground to the scales.
Last summer we hitched a loader behind it and drew our hay to the barn.
The wagon had not been altered half the time for the last twenty years yet has never broken a wheel or an axle.

Not a broken wheel or axle
—in use 37 years
—still good for haying

Think what it means to get 37 years and more work out of a wagon.

Cuts down the cost—doesn't it?

The Studebaker wagon will stand any reasonable strain. We know what Studebaker wagons that we have sold have done.

Come in and let us tell you what our experience has been with the Studebaker people, our experience with Studebaker wagons and the experience of those to whom we have sold Studebaker wagons.

FARM DWELLERS
ASK FOR BOOKS

Announcement of the "Books for Everybody" Movement Brings Letter Flood.

INFORMATIVE WORKS SOUGHT

Requests for Reading Matter Range From Volume on Drainage to Collins' "Book of the Stars."

The announcement of the entrance of the American Library Association upon the "Books for Everybody" movement and still later news accounts of the activities of the organization along these lines resulted in a widespread appeal from residents of the rural districts of the country for books on farming. Whether the American farmer is simply evidencing his ambition to do a good job better or whether the better crops of his neighbor, who has attended an agricultural college or school, has spurred him on is a matter difficult to determine. But the fact remains the farmer is asking for books. The great majority of American farmers are either without libraries and book service or they are inadequately served.

One of the points which the American Library Association in its "Books for Everybody" movement is strongly urging is the extension of the county library system in states where enabling acts have been passed—some twenty-one in number—and the proper legislation in others which have not yet taken the step. The system, with its central library and radiating lines to stations in the remotest sections of the county, assures good books to every man, woman and child who cares to reach out a hand and grasp one.

Letters Show Need of Service. The American Library Association is not giving its entire attention to the urban dweller, nor is it neglecting the centers of population for the rural districts and communities. It is, however, unquestionably eager to create a steady flow of informative reading to rural America. That the need for such service exists and that it is anxiously sought is evidenced in every letter of this nature received by state library commissions and by the A. L. A. A few excerpts have been selected because they seem to express most truly the needs of thousands of others.

When Lydia Carlson, whose farm is beyond Mason, Wis., asked for copies of "Productive Farm Crops," "Productive Vegetable Growing" and "Principles of the Practice of Poultry Raising" she echoed the book needs of her neighbors. Then she revealed the fact that her eyes are not always in the furrows by asking for a copy of Collins' "Book of the Stars."

What Others Desired. There was a pressing need behind the letter from James Dunn, who lives ten miles from Convent, La., the nearest town, which has a population of only 500 people. He asked for a copy of "Practical Farm Drainage." The task of keeping his acres dry was beyond him. Walter Williams of Osseo, Wis., wanted to know if he could make fuel alcohol from frozen potatoes and spoiled fruits, and if he could, where there any books on the subject. The requests run the whole range of farm operations. Some wish to know how to treat scale, others desire facts on hog raising. Books giving information on crop rotation are in demand.

The American Library Association is raising a \$2,000,000 fund to finance the "Books for Everybody" movement which during the next three years will be carried on in co-operation with existing libraries and library agencies. The money is not being raised through the medium of an intensive drive but through the individual efforts of the librarians, library trustees and friends of libraries.

The Salvation Army was founded in 1878 by William Booth, first general of the Army, who died in 1912. General Booth started in life by preaching on street corners and gained worldwide fame.

SUNDAY SCHOOL LESSON
MAY 9, 1920.

Topic: Eli and His Sons.

1 Sam. 2:12-17; 4:1-18.

REV. J. J. DICKEY.

This lesson is a sad commentary on parental indulgence. Eli, a priest and a judge, allowed his sons to grow up in disobedience, and as a result they wrecked the nation. Their sins, wrought by their indulgent father, wrought their own ruin as well as that of the nation. These sons were corrupt in their lives and in their official capacity also. They took more of the sacrifices for their own personal use than the law allowed, and their conduct called down the judgment of heaven upon them.

Every parent should study this lesson thoroughly and see what lax discipline will do for the brightest children. The greatest promise to parents in the Bible is: "Train up a child in the way he shall go and when he is old he will not depart from it." No parent can claim this promise who does not meet its conditions. Your own and your children's happiness is involved. Eli was a good man, in some respects, but he did not control his children and they died in disgrace and brought his gray hairs in sorrow to the grave. Be brave and do your duty and God will bless you.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, etc.

YOU

Need a Bank and a Bank needs you. We think ours is the Bank you need and we are sure you are the customer we desire. There are so many helpful ways that we can serve you and you will always find us anxious to do so. But you will never know how numerous our ways of assisting you are until you open an account with us and give us a chance. Your need for a Bank is not based on the amount of money you have. The person with a small amount of money needs a Bank as badly, if not worse, than a person with a large amount. No matter how small your account may be, we would be glad to have it and assure you of a hearty welcome and our full assistance. Come right in and tell our officers of your needs and be assured of helpful and considerate treatment.

If you have any surplus money, we will pay you interest on it or assist you in making any kind of an investment you may desire.

URGE KENTUCKIANS ON IN BIG DRIVE

State Conference Held to Arouse Interest in Salvation Army Home Service Appeal, May 10 to 20.

In preparation for the final drive in the Salvation Army's Second Home Service Appeal, May 10 to 20, in Kentucky and other states east of the Mississippi river, a state conference of workers was held in Louisville on Wednesday.

Judge Henry S. Barker, of Louisville, the state chairman, presided and the toastmaster was Ben S. Washer, of Louisville, vice chairman and former national president of the Young Men's Hebrew Association. Governor Edwin P. Morrow, honorary state chairman, could not be present but sent a telegram giving his hearty endorsement and urging Kentuckians to leave no stone unturned to put Kentucky in the forefront of states in contributions. Governor James S. Cox of Ohio was also prevented from attending and sent a telegram of endorsement.

Prominent workers from all parts of the state pledged themselves to do their best. Prof. George Colvin, State Superintendent of Public Instruction, delivered a splendid address in which he called upon all for renewed efforts in the big drive. Leading officers of the Salvation Army from this section told of their experiences in the actual work of the Army, most of them having served from 20 to 35 years in the ranks of this great organization.

Among other prominent workers in the Home Service Appeal are: Ben L. Bruner, secretary of the state executive committee; John R. Downing, treasurer; Dr. W. S. Lockhart, chairman of the speakers' bureau; Judge Walter V. Gregory, chairman of the publicity committee; Mrs. C. Malcolm Bullitt, Mayor George Weissinger Smith of Louisville, Hon. W. P. Lincoln, Marvin H. Lewis, Alvin T. Hert, Dr. E. L. Powell, Dr. E. Y. Mullins and Dr. Charles W. Welch.

FRIENDLY HOME FOR WOMEN IS HELPED

Salvation Army Does Fine Work in Louisville Institution For Women and Girls.

The Susan Speed Davis Friendly Home for Women in Louisville is controlled and operated by the Salvation Army and is one of the institutions to be helped by the money raised in the Home Service Appeal to be made by the Salvation Army, May 10 to 20.

Four times as many cases were cared for in this Home during the past year and during the year before. This work has been carried on in the face of trying difficulties. It has been necessary to remodel and refurbish the Home, and in spite of this many have been cared for. Forty-three girls and young women were cared for there during the past month. Only six percent of those cared for are over 18 years of age and many are under 14.

The Susan Speed Davis Home gives a welcome to all unfortunate girls and women, no matter from what part of Kentucky they come.

Tommy Burns is in England and still trying to land a match with Joe Beckett. The ex-heavyweight champion figures that Beckett is the right party to meet in a "comeback" attempt.

Boston fans are of the opinion that Pitcher Waite Hoyt, the Red Sox boy wonder, will come through this season and take his place among the great hurlers in the big show.

GONE FOR GOOD

Results That Last Are What Appeal to Maysville People.

Kidney sufferers in Maysville want more than temporary relief. They want results that last—Results like Mr. Lynch tells about. His was a thorough test. Four years is a long time. Doan's Kidney Pills have stood the test and stood it well. Why experiment with an untried medicine?

People here in Maysville have shown the way. Read the story of W. H. Lynch, shoemaker, E. Third St. He says: "My kidneys were weak and sluggish. At one time the action of my kidneys stopped altogether. I finally used Doan's Kidney Pills and in a short time the action of my kidneys became normal. I kept on taking them and they completely relieved me."

TRouble NEVER RETURNED. Nearly five years later, Mr. Lynch said: "I haven't had any need of a kidney remedy since I last recommended Doan's Kidney Pills. They have permanently cured me." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

You Can't Attract Friends When You
Are Feeling Dull and
Dependent.

POPULARITY GOES TO
THE RED-BLOODED
Pepto-Mangan Brings Vigor, Health
And Happiness To Anemic
Persons.

When you're feeling your best —
when you're brimming with happiness,
"pep" and enthusiasm — people just
can't help being drawn to you. You're
a favorite wherever you go.

But when you're constantly tired
and dull—when everything is too much
trouble—when you're bored with your-
self—it's natural that you affect your
acquaintances likewise.

If you're not feeling up to par, you
are not. If you're not sick exactly, but
are just run down, what you need is a
good tonic. The food you eat is not
becoming energy-making, red blood.

Everyone gets run-down occasion-
ally. But it's not necessary and is really
dangerous to let this condition hang
on. A bottle of Pepto-Mangan, the
famous "red blood builder" would sup-
ply the iron and other properties your
blood now lacks—would bring back
your old-time energy and enthusiasm
—would put color in your cheeks and
spring in your step.

Pepto-mangan is agreeable and con-
venient to take, and endorsed by phy-
sicians everywhere. Can be had in
either liquid or tablet form. There's
no difference in their effectiveness.

Ask your druggist for Pepto-Mangan
and be sure it's "Gude's"—the genuine.
The name "Gude's" should be on the
package.—Advertisement.
